INSTRUCTIONS FOR ATTORNEYS COMPLETING CIVIL COVER SHEET FORM JS 44

Authority For Civil Cover Sheet

The JS 44 civil cover sheet and the information contained herein neither replaces nor supplements the filings and service of pleading or other papers as required by law, except as provided by local rules of court. This form, approved by the Judicial Conference of the United States in September 1974, is required for the use of the Clerk of Court for the purpose of initiating the civil docket sheet. Consequently, a civil cover sheet is submitted to the Clerk of Court for each civil complaint filed. The attorney filing a case should complete the form as follows:

- **I.(a) Plaintiffs-Defendants.** Enter names (last, first, middle initial) of plaintiff and defendant. If the plaintiff or defendant is a government agency, use only the full name or standard abbreviations. If the plaintiff or defendant is an official within a government agency, identify first the agency and then the official, giving both name and title.
- (b) County of Residence. For each civil case filed, except U.S. plaintiff cases, enter the name of the county where the first listed plaintiff resides at the time of filing. In U.S. plaintiff cases, enter the name of the county in which the first listed defendant resides at the time of filing. (NOTE: In land condemnation cases, the county of residence of the "defendant" is the location of the tract of land involved.)
- (c) Attorneys. Enter the firm name, address, telephone number, and attorney of record. If there are several attorneys, list them on an attachment, noting in this section "(see attachment)".
- II. Jurisdiction. The basis of jurisdiction is set forth under Rule 8(a), F.R.Cv.P., which requires that jurisdictions be shown in pleadings. Place an "X" in one of the boxes. If there is more than one basis of jurisdiction, precedence is given in the order shown below.

 United States plaintiff. (1) Jurisdiction based on 28 U.S.C. 1345 and 1348. Suits by agencies and officers of the United States are included here. United States defendant. (2) When the plaintiff is suing the United States, its officers or agencies, place an "X" in this box. Federal question. (3) This refers to suits under 28 U.S.C. 1331, where jurisdiction arises under the Constitution of the United States, an amendment to the Constitution, an act of Congress or a treaty of the United States. In cases where the U.S. is a party, the U.S. plaintiff or defendant code takes precedence, and box 1 or 2 should be marked.

 Diversity of citizenship. (4) This refers to suits under 28 U.S.C. 1332, where parties are citizens of different states. When Box 4 is checked, the citizenship of the different parties must be checked. (See Section III below; NOTE: federal question actions take precedence over diversity cases.)
- **III. Residence (citizenship) of Principal Parties.** This section of the JS 44 is to be completed if diversity of citizenship was indicated above. Mark this section for each principal party.
- IV. Nature of Suit. Place an "X" in the appropriate box. If there are multiple nature of suit codes associated with the case, pick the nature of suit code that is most applicable. Click here for: Nature of Suit Code Descriptions.
- V. Origin. Place an "X" in one of the seven boxes.
 - Original Proceedings. (1) Cases which originate in the United States district courts.

Removed from State Court. (2) Proceedings initiated in state courts may be removed to the district courts under Title 28 U.S.C., Section 1441. Remanded from Appellate Court. (3) Check this box for cases remanded to the district court for further action. Use the date of remand as the filing date.

Reinstated or Reopened. (4) Check this box for cases reinstated or reopened in the district court. Use the reopening date as the filing date. Transferred from Another District. (5) For cases transferred under Title 28 U.S.C. Section 1404(a). Do not use this for within district transfers or multidistrict litigation transfers.

Multidistrict Litigation – Transfer. (6) Check this box when a multidistrict case is transferred into the district under authority of Title 28 U.S.C. Section 1407.

Multidistrict Litigation – Direct File. (8) Check this box when a multidistrict case is filed in the same district as the Master MDL docket.

PLEASE NOTE THAT THERE IS NOT AN ORIGIN CODE 7. Origin Code 7 was used for historical records and is no longer relevant due to changes in statue.

- VI. Cause of Action. Report the civil statute directly related to the cause of action and give a brief description of the cause. **Do not cite jurisdictional statutes unless diversity.** Example: U.S. Civil Statute: 47 USC 553 Brief Description: Unauthorized reception of cable service.
- VII. Requested in Complaint. Class Action. Place an "X" in this box if you are filing a class action under Rule 23, F.R.Cv.P.

 Demand. In this space enter the actual dollar amount being demanded or indicate other demand, such as a preliminary injunction.

 Jury Demand. Check the appropriate box to indicate whether or not a jury is being demanded.
- VIII. Related Cases. This section of the JS 44 is used to reference related pending cases, if any. If there are related pending cases, insert the docket numbers and the corresponding judge names for such cases.

Date and Attorney Signature. Date and sign the civil cover sheet.

Civil Justice Expense and Delay Reduction Plan Section 1:03 - Assignment to a Management Track

- (a) The clerk of court will assign cases to tracks (a) through (d) based on the initial pleading.
- (b) In all cases not appropriate for assignment by the clerk of court to tracks (a) through (d), the plaintiff shall submit to the clerk of court and serve with the complaint on all defendants a case management track designation form specifying that the plaintiff believes the case requires Standard Management or Special Management. In the event that a defendant does not agree with the plaintiff regarding said designation, that defendant shall, with its first appearance, submit to the clerk of court and serve on the plaintiff and all other parties, a case management track designation form specifying the track to which that defendant believes the case should be assigned.
- (c) The court may, on its own initiative or upon the request of any party, change the track assignment of any case at any time.
- (d) Nothing in this Plan is intended to abrogate or limit a judicial officer's authority in any case pending before that judicial officer, to direct pretrial and trial proceedings that are more stringent than those of the Plan and that are designed to accomplish cost and delay reduction.
- (e) Nothing in this Plan is intended to supersede Local Civil Rules 40.1 and 72.1, or the procedure for random assignment of Habeas Corpus and Social Security cases referred to magistrate judges of the court.

SPECIAL MANAGEMENT CASE ASSIGNMENTS (See §1.02 (e) Management Track Definitions of the Civil Justice Expense and Delay Reduction Plan)

Special Management cases will usually include that class of cases commonly referred to as "complex litigation" as that term has been used in the Manuals for Complex Litigation. The first manual was prepared in 1969 and the Manual for Complex Litigation Second, MCL 2d was prepared in 1985. This term is intended to include cases that present unusual problems and require extraordinary treatment. See §0.1 of the first manual. Cases may require special or intense management by the court due to one or more of the following factors: (1) large number of parties; (2) large number of claims or defenses; (3) complex factual issues; (4) large volume of evidence; (5) problems locating or preserving evidence; (6) extensive discovery; (7) exceptionally long time needed to prepare for disposition; (8) decision needed within an exceptionally short time; and (9) need to decide preliminary issues before final disposition. It may include two or more related cases. Complex litigation typically includes such cases as antitrust cases; cases involving a large number of parties or an unincorporated association of large membership; cases involving requests for injunctive relief affecting the operation of large business entities; patent cases; copyright and trademark cases; common disaster cases such as those arising from aircraft crashes or marine disasters; actions brought by individual stockholders; stockholder's derivative and stockholder's representative actions; class actions or potential class actions; and other civil (and criminal) cases involving unusual multiplicity or complexity of factual issues. See §0.22 of the first Manual for Complex Litigation and Manual for Complex Litigation Second, Chapter 33.

COMPLAINT AND JURY DEMAND

I. PRELIMINARY STATEMENT:

- 1. This is an action for an award of damages, attorneys' fees and other relief on behalf of the Plaintiff, Khalia Freeman ("Plaintiff Freeman"), a former employee of the Defendant, Moore Eye Care, P.C. d/b/a Moore Eye Institute ("Defendant"), who has been harmed by the Defendant's discriminatory employment practices.
- 2. This action arises under the Americans with Disabilities Act, 42 U.S.C. §12101, et seq. ("ADA") and the Pennsylvania Human Relations Act ("PHRA"), 43 P.S. §951 et seq.

II. JURISDICTION AND VENUE:

- 3. The jurisdiction of this Court is invoked, and venue is proper in this judicial district, pursuant to 28 U.S.C. §§1331 and 1391, as Plaintiff Freeman's claims are substantively based on the ADA.
- 4. The supplemental jurisdiction of this Court is invoked pursuant to 28 U.S.C. §1367 to consider Plaintiff Freeman's claims arising under the PHRA.
- 5. All conditions precedent to the institution of this suit have been fulfilled and Plaintiff Freeman has satisfied all jurisdictional prerequisites to the maintenance of this action.

On May 12, 2021, a Notice of Right to Sue was issued by the Equal Employment Opportunity Commission and this action has been filed within ninety (90) days of receipt of said notice.

III. PARTIES:

- 6. Plaintiff, Khalia Freeman ("Plaintiff Freeman"), is an adult individual and citizen of the Commonwealth of Pennsylvania, residing therein at 1718 S. Conestoga Street, Philadelphia, Pennsylvania 19143.
- 7. Defendant, Moore Eye Care P.C. d/b/a Moore Eye Institute ("Defendant"), is a professional corporation duly organized and existing under the laws of the Commonwealth of Pennsylvania, maintaining a place of business located therein at 100 W. Sproul Road, Suite 100, Springfield, Pennsylvania 19084.
- 8. At all times relevant hereto, the Defendant was acting through its agents, servants, and employees, who were acting within the scope of their authority, course of their employment, and under the direct control of the Defendant.
- 9. At all times material herein, the Defendant is and has been a "person" and "employer" as defined under the ADA and PHRA, and is accordingly subject to the provisions of each said Act.

IV. STATEMENT OF CLAIMS:

- 10. Plaintiff Freeman was employed by the Defendant from on or about April 29,2019 until on or about June 28, 2020, the date of her unlawful termination.
- 11. During the course of her employment with the Defendant, Plaintiff Freeman held the position of Front Desk, and at all times maintained a satisfactory performance rating in said capacity.

- 12. On or about June 19, 2020, Plaintiff Freeman commenced a three (3) day vacation to visit her family in Atlanta, Georgia. Plaintiff Freeman obtained permission from Brittany LNU ("Brittany"), Office Manager, to travel out of state prior to her vacation.
- 13. On or about June 22, 2020, Plaintiff Freeman called out of work and advised Michelle Gallo ("Gallo"), Practice Administrator, that she was not feeling well. Plaintiff Freeman specifically informed Gallo that she was suffering from stomach issues.
- 14. By the following day, on or about June 23, 2020, Plaintiff Freeman no longer felt ill. As such, Plaintiff Freeman returned to work with Gallo's knowledge and approval.
- 15. However, on or about June 25, 2020, Plaintiff Freeman began to experience mild cold-like symptoms during her work shift. As Defendant's office was short-staffed, Plaintiff Freeman finished her work shift on said date.
- 16. On or about June 26, 2020, Plaintiff Freeman returned to work, as she was no longer experiencing any symptoms of illness. However, upon Plaintiff Freeman's arrival, Gallo sent Plaintiff Freeman home from work and directed her to undergo testing for COVID-19. At all times thereafter, Gallo perceived Plaintiff Freeman to be disabled.
- 17. Per Gallo's directive, Plaintiff Freeman made an appointment to undergo COVID-19 testing on June 29, 2020, and advised Gallo of her appointment.
- 18. However, prior to receiving Plaintiff Freeman's COVID-19 test results, Defendant terminated Plaintiff Freeman's employment, allegedly because she had spread illness to her coworkers.
- 19. Plaintiff Freeman believes and avers that the Defendant's articulated reason for her termination is pretextual and that the Defendant actually terminated her employment based on a perceived disability (COVID-19).
